In addition, natural woods may vary in color and characteristics and exhibit subtle changes as they age. For example, painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint area, and cabinet colors may darken or lighten over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this Limited Warranty.

SOLE AND EXCLUSIVE REMEDY: In the event of a defect in the workmanship or materials of a Product or Product component occurring during the warranty period described above, We will, at our option, repair or replace any defective Product or Product component; provided, if it is not commercially feasible to repair or replace a defective Product or Product component, We may refund the original price paid by You for the defective Product or Product component, or provide a credit towards a similar type of product sold by Us. The foregoing are Your sole and exclusive remedies for any Product defect or non-conformity. By way of example but not limitation, the following costs and expenses are not covered by this Limited Warranty: (1) labor costs for the original installation, removal, or reinstallation of the Product, or defective part thereof; (2) labor costs or material charges for the removal, reinstallation, repainting, refinishing or replacement of any other items or building materials which must be removed, replaced, reinstalled, or refinished in order to repair or replace the defective Product or component. For example, costs associated with the following will not be reimbursed: counters, sinks, tiles, flooring, accessories, appliances or plumbing fixtures. When a claim for warpage, joint separation or wood growth is submitted, We may, at our option and after inspection, defer action for up to 12 months to allow the Product to acclimate to the installed environment. Further, We reserve the right to modify or alter any Product design, specifications or materials without obligation to make similar changes to Products previously manufactured or sold by Us.

The repair or replacement remedies offered by Us under this Limited Warranty are contingent on the current Product offerings of styles and construction options within our Product line at the time of a warranty claim is made by You. If a valid warranty claim is filed for an obsolete Product, We reserve the right, at our sole option, to honor its repair or replacement obligations under this Limited Warranty by either: (1) replacing the affected Product or component with a new Product or component of the same or approximate style or color from our current Product line or offerings; or (2) replacing the affected Product or component to achieve a uniform appearance with a similar or comparable product style or approximate color of the originally purchased style. If a Product or components are replaced or repaired, We cannot guarantee an exact match with the finish or appearance of other products or fixtures installed at the Your dwelling. This is due to changes that may occur during the Products' natural aging process, affecting its color and/or grain.

LIMITATION OF LIABILITY: The remedies described above are Your sole and exclusive remedies and our entire liability for any breach of this Limited Warranty. Our total liability shall under no circumstances exceed the actual amount paid by You for the defective product. Further, We shall not under any circumstances be liable for any consequential, indirect, incidental, special or punitive damages or losses (including lost profits), even if this Limited Warranty is deemed to have failed of its essential purpose.
